## STRONG PLEA FOR HORSE RACING

Cut Out Pool Selling and Give Sport for Sports' Sake, Says Missourian.

Chicago, Dec. 6.—"Encourage good, clean horse racing and cut out all vulgar shows and you will have better attendance all around," said Norman J. Coleman, former lieutenant governor of Missouri, at the convention of the American Association of Fairs and Expositions here last night.

"God so made man that he wants to see contests," Mr. Coleman continued. "He will stop in the street to witness a dog fight and will watch two boys battle. Ministers of the gospel and others of high moral tone will witness a horse race that is purely a contest for speed for a purse, where there is no pool-selling or other form of gambling.

"Nothing will draw so well as good, legitimate harness racing. The fair is a great educational institution, and no boy's education is complete without it. At college he merely gets a diploma. At the fair he is educated horticulturally, agriculturally and mineralogically. Let the boy study these things in the morning and for the afternoon desert give him some good, clean horse racing."

## BIG COLLEGES ARE IN LINE

Yale Only School Holding Out From the Intercollegiate Association.

New York, Dec. 6.—The terms of seven members of the football rules committee of the Intercollegiate Association of the United States will expire at the meeting of the association, which is to be held in New York Dec. 21. It is expected that all of them will be re-elected with one exception. Joshua Crane will succeed W. L. Reid, Jr., as Harvard's representative. It is hoped that at this meeting all of the remaining big colleges will join the association. Pennsylvania has already done so, Cornell will within a few days, and there is every reason to hope that Yale, the last of the important colleges, will be induced to affiliate with the new organization.

## VANDERBILT IN SIXTH PLACE.

New York, Dec. 6.—Announcement of the winners of the French cup during the season just closed show that W. K. Vanderbilt, who headed the list last year, ranks sixth this year. The largest winner is M. Cullault, with \$124,000, while Mr. Vanderbilt's total winnings were \$65,725.

## THE FOOTBALL BANQUET

"DAD" CONVILLE.

Elected next year's captain at last night's annual football banquet.

The university football team closed its season with a banquet at the Alta club last evening, given by the alumni. Before the boys started to do justice to the spread set before them, a meeting was held and "Dad" Conville was elected captain for next year. Over a hundred sat at the table and enjoyed themselves during the evening. A number of toasts were made but the one that made the biggest hit was the last of the evening, when "Dad" Conville referred to Governor Cutler and Mayor Bransford, sitting on each side of him. "Dad" thought they ought to be proud of the jobs they held and that it must feel good to hold such high honors, but that he would rather be captain of next year's football team than hold either one of their positions. A number of those present gave short talks, including Mayor Bransford, who was a guest.

Governor Cutler also spoke. He extolled the virtues of Theodore Roosevelt at some length, and then, dropping the political, adverted to the athletic. "The success of the University of Utah in football," said he, "is due to two men—Professor Byron Cummings and Dr. Plummer." Dr. Plummer, the student says, has had nothing to do with the team for at least two years. The governor then detailed the joy with which he "received the flash announcing Utah's victory over Boulder on Thanksgiving day. The governor, it is understood, referred to the Utah-Colorado game. Governor Cutler's speech was much enjoyed.

## ATHLETES CAN STAY HOME

New York, Dec. 6.—The announcement that Matthew P. Halpin of the New York Athletic club has been selected as manager for the American team at the Olympic games in London next year has caused considerable comment among athletes. Several members of the Irish-American club are quoted as saying that they would refuse to compete unless some other manager was chosen, as they were not satisfied with Mr. Halpin's management of the team at the Athens games. The executive committee of the American Olympic committee duly selected Mr. Halpin and the members of the committee state that any athlete who is not willing to enter the games under Mr. Halpin's management can stay at home.

## LAST GAME OF SEASON TODAY

All Hallows and Salt Lake High Meet in Final Struggle on Cummings Field.

What promises to be one of the most interesting games of the season in the high school class will be pulled off this afternoon on Cummings field, the contestants being the Salt Lake High school and All Hallows college. Both teams have been working hard during the past ten days in preparation for this, the last game of the season. The first game between these two teams this season resulted in the High school's favor, the score being 14-12. Since that time All Hallows defeated the strong team from the Academy of Idaho, and the High school put up a close fight in its game with Ogden on Thanksgiving. Last year neither team could score. Therefore today's game will in a way determine the supremacy for two seasons.

If the weather continues favorable the game will undoubtedly be the fastest of the season. Cummings field is very fast, and the players are in the best physical condition they have been in this year. Both teams are determined to win, and there will be a field for the spectators to finish. The officials are as follows: Referee, Coach Teetzel; umpire, Lieutenant Santel; head line-man, Palm. The game will start at 3 o'clock sharp.

## BIG STAKES CLOSE EARLY

Over a Million to Be Given in Purses the Coming Season.

New York, Dec. 6.—By agreement entries for stake races for the spring meeting in 1908 at the Gravesend, Sheepshead Bay and Brighton Beach tracks will be closed Jan. 2. At the same time the closing for fall stakes and fixtures for the next two years will be announced. The value of combined stakes which will be closed exceeds \$1,000,000. Among the spring stakes are the three great events of the turf, the Brooklyn handicap, at Gravesend; the Suburban, at Sheepshead Bay; and the Brighton handicap at Brighton Beach. It is announced that the value of the first two events will be raised to make them of equal value with the Brighton, \$25,000.

## JOIN WITH AUSTRALIA.

Horsemen Affiliate to Better Protect the Sport.

New York, Dec. 6.—Before the adjournment of the board of review of the National Trotting association, a message was sent to the Victorian Breeders and Owners Trotting Horse association of Australia, accepting the suggestion that that association be recognized in this country and that reciprocal relations be entered into between the two associations. Many horses are shipped from California to Australia and it is to place a safeguard on these horses that the arrangement is made.

## L. D. S. U. PLAYS Y. M. C. A.

Rival Teams Meet Tonight in Basket Ball for First Time This Season.

The basketball teams of the Y. M. C. A. and L. D. S. U. held their last practice yesterday in preparation for the big game in the Y. M. C. A. gymnasium tonight. The L. D. S. team seems bigger, faster and stronger than it has been for some years; while the Y. M. C. A. team does not show the form it undoubtedly will later on in the season. The L. D. S. bunch defeated Provo on the Provo floor by a larger score than the Y. M. C. A. made against the same team on its own floor, consequently Y. M. C. A. members are wondering how their team will come tonight. Last year no such feeling existed, as the Y. M. C. A. was clearly superior to the L. D. S. bunch.

The second teams play a preliminary game at 7:30 p. m.

First team line-up: Y. M. C. A. L. D. S. U. Baysinger, Miller; Stewart, Taylor; Hoffmann, Horsfall; Gunn, Anderson; Blomquist, Buck.

Second teams: Y. M. C. A. L. D. S. U. Metcalf, Lund; Woolley, Sanders; Sainsbury, Cannon; Richardson, Summerhays; Butler, Cannon, Taylor.

## BRAZIL AFTER CORNELL

Ithaca, N. Y., Dec. 6.—The Paula State Football League of San Paulo, Brazil, has asked the Cornell Association football team to go to Brazil for a series of games next June or July.

The league offers to pay the expenses of fifteen men, excepting transportation and says that the popularity of the game in Brazil assures the Cornell team of a large profit. The offer is due to the fact that there are several South Americans on the Cornell team. No decision has been reached in the matter.

# Is Too Much Money Harmful to American Women?

"When our foreign critics speak of the American woman they have in mind the wives and daughters of unwisely chivalrous men, who have blindly allowed their women folk to pursue ignorant and half-baked ideals of emancipation."

"Almost without exception, her attempts at a career have been futile, and often they have been notably, even pathetically, ridiculous."

"Lacking all vital contact with life, ignorant of all the deeper wells of human impulse, her mind and her very good looks are as superficial and as trivial as her activities."
